Profile

Purusharth is a multidisciplinary lawyer with more than 14 years of experience in advising domestic and foreign clients on M&A, infrastructure development & finance, investments, real estate, stressed asset acquisitions, and corporate and debt restructurings related transactions. He has managed several marquee deals, including a few financing and cross-border M&A transactions that set many firsts in India.

He regularly advises clients from diverse sectors including energy, manufacturing, financial services, real estate, IT and ITES, etc. Several prominent global players regularly seek his advice in navigating the complex and dynamic Indian policy landscape. Structuring commercial documents spanning entire life cycle of infrastructure and real estate projects holds a special place in his repertoire.

His team comprising of seasoned legal professionals are adept at providing end-to-end solutions within commercial transactions space ranging from conducting legal due diligence, drafting, and negotiating transaction documents, and advising clients on commercial and regulatory issues pertaining to cross-border transactions.

Purusharth graduated from NLU Jodhpur in the year 2008 with an honours in International Trade & WTO Studies. In addition to practicing law with a few reputed law firms in Mumbai and Delhi, he has held leadership positions with some of India's top management teams.
